

Albers School of Business and Economics

Master of Science in Finance

Application Instructions and Procedures

All application materials must be received by the application deadline to receive full consideration. For application deadlines and entry terms, refer to the [priority deadlines](#). International applicants and those with international transcripts should consult the [International Requirements Page](#), for deadlines and other requirements, as they may differ.

-year baccalaureate degree from a regionally accredited institution or U.S. equivalent. Submit official or unofficial copies of transcripts, degree certificates, and exam score reports for every school attended in the last 60 semester/90 quarter credits as well as any post-baccalaureate credits. You may upload the unofficial transcript(s) for your institution(s) within the Academic History t
