purchasing power to prioritize environmentally and socially preferable products and services to support companies with strong commitments to environmental and social sustainability.

- _____ Work with the SRI and Retirement Plan Investment Committee to develop a sustainable investment policy incorporating ESG investment principles
Increase investment decisions that promote sustainability
- _____ Engage the Directors of Procurement and Auxiliary Services to assess SU's purchasing behavior; identify opportunities; and set, publish, and promote sustainability criteria to be applied when evaluating products and/or services.
: Adopt an institutional policy for sustainable, ethical, and equitable procurement

Priority 4: Taking a New Organizational Approach to Sustainability

The President's Committee for Sustainability (PCS) serves as a forum for sharing sustainability-related ideas on campus. It works closely with the Center for Environmental Justice and Sustainability (CEJS), which provides important staff support for implementing sustainability programs. Considering SU's _____ and
