Program/SiteName: _____ Date of Site Assessment _____

Location(City, Country): _____

Name & Position of Evaluator: _____

Program Type: Academic Internship in conducting

Site Assessment

HOUSING

Check all of the housing options available to students:

- | | | |
|--|-------------|----------------------------------|
| † Host families | † Dormitory | † Apartments provided by Program |
| † Apartments obtained independently by student | | † Other (please describe) |

SAFETY Consideration includes functioning alarm system and/or smoke detectors, sprinkler system, lock on individual room doors, direct/easy access out of building in the event of an emergency, etc.

CLEANLINESS Consideration includes an environment that supports healthy living. Areas of concern are presence of mold/mildew, insects/animals, etc.

COMFORT Consideration includes an adequate sense of overall safety in the environment, one bed for each student, available bathroom facilities, etc.

Rate relevant housing options individually:

Quality of Host Family option:

Safety	1	2	3	4
Cleanliness	1	2	3	4
Comfort	1	2	3	4
Explain your rating				

Quality of dormitory option:

Safety	1	2	3	4
Cleanliness	1	2	3	4
Comfort	1	2	3	4
Explain your rating				

Quality of apartments provided by the program option:

Safety	1	2	3	4
Cleanliness	1	2	3	4
Comfort	1	2	3	4
Explain your rating				

Site Assessment

Quality of apartments obtained independently by student option:

Safety	1	2	3	4
Cleanliness	1	2	3	4
Comfort	1	2	3	4

Describe the housing conditions.

Is there staff supervision in the dormitory and/or apartment? † Yes † No

Transportation from living accommodations to program location: 1 2 3 4

Outline the available modes of transportation to and from living accommodations:

What is the typical distance from housing to campus?

Evaluation of host families (if applicable): 1 2 3 4

How

Site Assessment

HEALTH AND SAFETY CONSIDERATIONS

Potential threats to safety and security:

1

Site Assessment

Are there on campus medical/health facilities? † Yes † No

If no, will the institution make referrals? † Yes † No

How close are the nearest medical facilities? Where are they like?

Available mental health services: 1 2 3 4

Describe the location and availability of counselors and/or the referral process if applicable:

Are there on campus mental health facilities? Yes † No

Is health insurance required? † Yes † No

If so, by: † Host institution † Homeschool

What coverage is necessary?

Site Assessment

STUDENT SERVICES

Assistance with pre departure process (visa, group meetings, etc.): 1 2 3 4
Describe the assistance provided to students prior to departure:

Pre departure and on site orientation: 1 2 3 4
Describe what kind of cultural preparation is provided to students prior to participation and upon arrival:

Level of co curricular programming integrated into the program: 1 2 3 4
What activities are included in the program, noting if/when extra costs are involved:

Opportunity for community engagement: 1 2 3 4
What activities are available to encourage interaction with the local society:

Are disability accommodations available for students? Yes No

Site Assessment

ACADEMICS

(Complete this section only for academic institutions)

What credit system is used on transcripts?

† Semester † Quarter † ECTS † Other (_____)

What is the typical number of credits awarded for each course? _____

Variety of courses available to students:

1 2 3 4

Outline the major areas of study available to students as well as quantity of available courses:

Quality of instruction:

1 2 3 4

Describe the quality of classroom instruction based on classroom visits and student feedback:

Primary language of Instruction: 0
