

SEATTLE UNIVERSITY TIMELY WARNING NOTIFICATION POLICY

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the "Clery Act"), 20 U.S.C. 1092 (f), Seattle University issues timely warning notifications to alert the campus community to Clery Act crimes that the University determines represent a serious and ongoing threat to the campus. The University may distribute timely warning notifications using a variety of means, including emails, text messages, fliers, and website announcements posted on the Campus Public Safety website (<http://www.seattleu.edu/safety/>).

To report an incident that may warrant the issuing of a timely warning notification, immediately contact Campus Public Safety at **(206) 2965911**.

A. What circumstances require issuing a timely warning?

Timely warning notifications are issued on a case-by-case basis for Clery Act crimes reported to Campus Public Safety, Campus Security Authorities, or local police agencies that pose a "serious and ongoing threat" to students and employees on campus or in the immediate campus area. In deciding whether to issue a timely warning notification, the University considers all of the facts surrounding the incident such as the nature of the crime, the continuing danger to the campus community, and the possible risk of compromising law enforcement efforts. Incidents that may result in issuing a timely warning notification include the following Clery Act crimes:

- Criminal Homicide
 - o Murder and Non-negligent manslaughter
 - o Manslaughter by Negligence
- Sexual Assault
 - o Rape
 - o Fondling
 - o Incest
 - o Statutory Rape
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson

B. When will timely warning notifications be issued?

The University will issue a timely warning notification as soon as it determines there is a serious and ongoing threat to students or employees on campus and/or in the immediate campus area. The determination will be made based on the information that Campus Public Safety has available to it at the time.
