**Bottema, A. J.** (2019). Implementing intelligence: Exploring the benefits and challenges of Phoenix Police Department's Intelligence Officer Program. Presented at the ASU Watts College of Public Service and Community Solutions Doctoral Research Symposium.

**Bottema, A. J.**

“Working toward a model of intelligence-led policing: The Phoenix Police Department intelligence officer program”

Assistantship funding provided by Bureau of Justice Assistance award 2016-DG-BX-K050. This project aims to create an interactive web of intelligence for the department to make them more intelligence led. The key approach for accomplishing this was to integrate and promote intelligence gathering and information sharing into the patrol function.
