TEACHING EXPERIENCE

Instructor of Record **April 2019 – Present**

Research Methods I (MFT 6700)
Seattle Pacific University

Winter Quarter 2020

- Taught qualitative and quantitative methods to graduate students, focusing on the connection between research and clinical practice.
- Facilitated activities, assignments, and discussions to provide students practical and theoretical knowledge.

Spiritually-Infused Systemic Child and Adolescent Treatment (STMC 5760) Summer 2019
Seattle University

- Responsible for prepping a course that met all day for two weekends.
- Engaged students through multiple modes of teaching, such as in-class activities, experiential activities, large and small group discussions, reflection worksheets, and lectures.

Human Sexuality (HD 2314; Online) Sum. 2017; Fall 2017; Spr. 2018; Winter 2019
Virginia Polytechnic Institute and State University

- Facilitated online courses on human sexuality.
- Development assignments and discussion for students to assist students in meeting the objectives of the course.
- Designed exams and conducted grading for the course.

Child and Adolescent Development (HD 1004)

Teaching Assistant

Compass Health: Children Intensive Services

2015-2016

Child and Family Therapist

- Worked as a leader of an intensive wraparound team advocating and providing treatment to keep children from hospitalization.
- Functioned as an individual or family therapist for clients and/or families of clients completing 500+ hours of direct client contact therapy.
- Collaborated with other systems of care in the community about the needs of the clients and their families.

Dickinson Fellowship: Student Fellow

2014-2015

Seattle Pacific University

- Discussed with members of the Fellowship the topic of encountering people suffering from severe mental illness through literature, research, and presenters.
- Explored issues about mental health from clinical, legal, and family perspectives.
- Participated in NAMI meetings, attended Drug and Mental Health Court, and provided a service project at Clean Start in Seattle, WA.

Lori Thompson Therapy

2014-2015

Therapist Intern

- Delivered therapeutic services for children, individuals, couples, and families.

CLINICAL TRAININGS

Eye Movement Desensitization Reprocessing (EMDR) 2022

Certified by EMDRIA

- Completed both training weekends and necessary supervision as outlined by EMDRIA.

Suicide Risk and Assessment 2015 & 2021

Certified by Washington State

- Educated in risk assessment of suicide, modes to encounter suicide risk, and procedures necessary for clinicians to take when a client is suicidal.
- Informed about at-risk populations and cultural diversity concerning suicide, how clinicians can best encounter different populations and the risk factors within different cultures.

Walking the Delicate Balance: Working Systemically with Complex Developmental Trauma. 2017

Certified by Virginia Association for Marriage and Family Therapy

- Completed training focuses on utilizing attachment, attunement, and aggravation when working with families with complex trauma.

WISe (Wraparound with Intensive Services) Certified 2015

Certified by Washington State

- Trained to implement and partake in Warp-Around Intensive Services as a therapist and to understand the role of other team members.

CPI Training (Crisis Prevention Institute) 2015

Certified by the Crisis Prevention Institute

- Received education on escalation cycle and interventions clinician can use to avoid physical restraints when escalation occurs.
- Learned proper techniques to physically restrain individuals in the least resistive and harmful manner.

CANS (Child and Adolescent Needs and Strengths) Certified 2015

Certified by the John Praed Foundation

- Completed training of CANS assessment for children or adolescents and their families.
- Utilized CANS assessment tool with clients and developed treatment plans.

Prepare-Enrich Facilitator 2013

- Competent in the course work of Prepare-Enrich and completed necessary training to be a facilitator for pre-marital work or marriage enrichment.
- Knowledgeable of interventions and techniques used through Prepare-Enrich and implementing skills with couples in therapeutic sessions.
